- 89 (GENERAL)(3hr)

90
91 Florida Department of Transportation – CE22

92
93 Mr. Horace Roberts of the Florida Department of Transportation asked to address the Committee. Mr. Roberts
94 asked if courses that are given instructor led face to face, instructor led video conference and instructor led
95 videoconference or teleconference could be included on one instructor led application or should they be
96 submitted as separate courses.

97
98 After discussion, the Committee agreed to table these applications until later in the meeting to allow Mr. Miller
99 time to research the best course of action for the Committee.

100
101 Florida Surveying and Mapping Society – CE11

102
103 Mr. Petzold gave his report on the following courses:
